# REFRESHER TRAINING FOR CQRT MEMBERS: STRENGTHENING DISASTER RESPONSE IN CACHAR

May 31st, 2023

A one-day Refresher Training for CQRT Members of Silchar Sadar, Katigorah, and Sonai Revenue Circles took place at Dimasa Sanskriti Parishad Bhawan, Silchar. The training was organized by DDMA, Cachar, in collaboration with the 1st BN NDRF. The program was inaugurated by Shri Samim Ahmed Laskar, DPO, DDMA, Cachar in presence of the Field Officer (DDMA, Cachar), and officials from 1st Battalion NDRF. The training covered the Basics of Disaster Management, various rescue techniques by NDRF, and fire safety, including the handling of firefighting equipment. This effort aimed to bolster the members' disaster response capabilities.

# WORLD ENVIRONMENT DAY TREE PLANTATION DRIVE: CREATING A BIO-SHIELD AGAINST RIVER EROSION

**June 5th, 2023**

In observance of World Environment Day, DDMA Cachar, in collaboration with Reliance Foundation, initiated a tree plantation drive at Madarpur Dyke, under Katigorah Revenue Circle, following the recent completion of a river protection scheme. The drive aimed at planting 1000 saplings to establish a Bio-Shield that will combat the menace of River Erosion. WRD Cachar Inv. Div. Badarpur, BSF, CQRT members, AAPDA MITRA volunteers, and other NGOs of Katigorah Revenue Circle actively participated in this endeavor which continued for the next 3 days from the date of initiation.

## COMBATING PLASTIC POLLUTION AND PROTECTING RIVER BANKS

**June 5th, 2023**

DDMA, Cachar, in collaboration with Water Resource Department, Govt. of Assam, and Disaster and Climate Resilience Network for Sustainable Development (DCRNSD), celebrated World Environment Day on June 5, 2023. The initiative focused on sensitizing and empowering the local community with sustainable interventions to combat plastic pollution and protect the river banks of Barak from erosion. The program was inaugurated by ADC & CEO, DDMA, in the presence of officials from DDMA Cachar, WRD Silchar, members of DCRNSD, GP President, and local villagers. This collaborative effort aimed to foster environmental consciousness and drive meaningful change for a resilient future.

# STRENGTHENING RIVER BANK PROTECTION

**June 5th, 2023**

DDMA Cachar, in partnership with Reliance Foundation and aligning with the upcoming World Environment Day took a proactive measure towards establishing a Bio-Shield at multiple locations within Katigorah Revenue Circle. To sensitize the community, a program was conducted at Public ME Madarpur that enlightened local residents about the significance of Bio-Shields and green cover. A grand plantation drive of 1000 saplings was planned and executed accordingly at the recently completed river protection scheme in Madarpur, alongside various other locations, with support from BSF, WRD, Cachar Inv Division, Badarpur, CQRT & AAPDA MITRA volunteers.

## WORLD ENVIRONMENT DAY TREE PLANTATION DRIVE IN SONAI: A GREEN COMMITMENT BY CQRT MEMBERS

On **June 5th, 2023**, to celebrate World Environment Day, the Circle Quick Response Team (CQRT) members of Sonai showcased their commitment to a greener future. A tree plantation drive was organized as part of their efforts to promote environmental sustainability and combat climate change. With shovels in hand and determination in their hearts, the CQRT members planted a variety of saplings in different locations across Sonai. This noble initiative reflects their dedication to preserving and enriching the local ecosystem, leaving a lasting impact on the environment thereby inspiring others to follow the suit.

# EMPOWERING SCHOOLS

*School safety program at  
Govindapur H.S School  
organised by DDMA  
Cachar in collaboration  
with NDRF*

**June 7th, 2023**

A comprehensive School Safety Program was organised by DDMA Cachar in collaboration with the 1st BN NDRF at Gobindapur High School. The initiative mainly aimed to enhance safety measures and disaster preparedness of the school. Experts from DDMA and NDRF imparted essential knowledge and skills to students and staff, equipping them to respond effectively to emergencies. This collaborative effort underscores the commitment to ensuring a secure learning environment and safeguarding the well-being of the school community.

## SCHOOL SAFETY PROGRAM AT GOVT. BOYS H.S SCHOOL ORGANISED BY DDMA CACHAR IN COLLABORATION WITH NDRF

**On May 10th, 2023**

A significant School Safety Program was conducted at Govt Boys HS School, Silchar by DDMA Cachar in collaboration with 1st BN NDRF. The initiative aimed to fortify safety measures and disaster preparedness within the school premises. Expert representatives from DDMA and NDRF provided valuable training to students and staff, empowering them to respond effectively during emergencies. This joint effort reflects the commitment to creating a secure learning environment and prioritizing the safety and well-being of the school community.

# DISTRICT DAY CELEBRATION: RECOGNIZING THE EXEMPLARY SELFLESS SERVICE SHOWCASED BY AAPDA MITRA VOLUNTEERS DURING CACHAR FLOODS 2022

**June 13th, 2023**

In a heartfelt tribute during the District Day Celebration on June 13, 2023, District Administration Cachar extended gratitude and recognition to the dedicated AAPDA MITRA volunteers from Silchar Sadar, Katigorah, and Sonai Revenue Circles. The felicitation highlighted their outstanding contribution and tireless efforts in providing crucial support during the devastating flood that struck Cachar in 2022. The event underscored the resilience and community spirit exemplified by these volunteers in the face of adversity.

# CO-ORDINATION CONFERENCE ON FLOOD RESPONSE WITH ASSAM RIFLES

**June 16th, 2023\***

A Co-ordination Conference for flood response was held at Assam Rifles' HQs, Srikona, Silchar. The conference focused on assessing the operational preparedness of Assam Rifles for flood response and identifying the support required from District Administration. Officials from DDMA, Cachar, and O/O the IGAR, Assam Rifles, C/O 99APO, and Srikona Silchar, had detailed discussions to foster effective collaboration and enhance disaster response capabilities of the districts.
